STAY AHEAD IN THE GAME WITH PLAYLOGIQ SPORTSBOOK

Playlogiq Sportsbook is more than a solution—it's your gateway to creating a seamless betting experience. From dynamic odds and real-time tracking to unparalleled flexibility in customization, our advanced platform empowers you to lead the field. Like the perfect dance, every feature is synchronized to support your success. Are you ready to make your move?

I-FRAME INTEGRATION

Quickly launch your online sportsbook while keeping creative control over the user experience. With our I-frame integration, you can seamlessly embed our sportsbook module into your PAM. Our advanced back office allows you to design and customize your website effortlessly to align with your brand identity.

CASHOUT

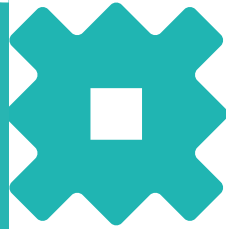

Our cashout feature increases player engagement and satisfaction by enabling players to settle their bets before the event concludes. This dynamic option adds flexibility and keeps your users returning for more.

BOOSTED ODDS

Empower your sportsbook with the flexibility to adjust odds dynamically. Whether for strategic promotions or adapting to market trends, Dynamic Odds lets you fine-tune your offering to maximize player engagement and meet your business objectives.

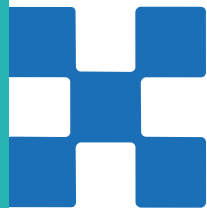

LIVE ANIMATION TRACKER

Immerse your players in the action with real-time animated commentary. Recreate the excitement of the game, offering a vivid, on-the-field experience that keeps players engaged.

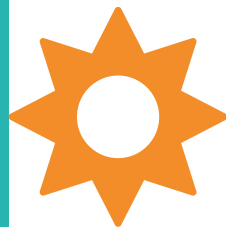

WE FOLLOW THE BEAT, NOT THE TREND.

Customized Services and tailored solutions, in sync with customer needs.

WE TREAT EVERYONE AS A VIP.

Lasting relationship, continuous feedback, trust.

WE LIKE TAKING RISKS, BUT WE KNOW HOW TO MANAGE THEM.

Dynamic monitoring, advanced algorithm, deep market analysis.

LEAGUES PRIORITY

Tailor your sportsbook layout by prioritizing leagues that matter most to your market. Highlight top leagues to enhance engagement and maximize relevance for your audience.

E-SPORTS

Tap into the growing world of esports and attract a new generation of players. Offer betting opportunities on popular esports, expanding your audience with this rapidly growing market segment.

BOOK YOUR BETS

Enhance player engagement with Book Your Bet, the perfect tool for social betting. Players can create and share their bets without logging in, generating a unique code to send via WhatsApp, Telegram, or social platforms - simple, flexible, and social.

CHECK YOUR BETS

Give players the freedom to verify their bets in seconds. With Check Your Bet, users can effortlessly check the outcome of their bets by entering a unique code—no login required. Ideal for retail players
